Missouri Phi Eta

University of Missouri, Kansas City, Kansas City, MO
Chartered April 30, 1983. 128.

Goals for 2007-2008

The 2007-2008 goals were to promote the organization within the engineering department, hold regular meetings, and promote camaraderie within the organization through social events.

Activities

The MO Phi Eta chapter held initiations in both the Fall and Spring. General business meetings were held in October and February.

Phillip Pyatt – Plans unknown
Brandon Schulz – Plans unknown
Troy Tally – Plans unknown

Names of New Members

Fall 2007 Pledges

Hannah Walden

Spring 2008 Pledges

Jared Hanna
Darren Mullin

Transfer of Responsibilities

The transfer of responsibilities took place following the Spring initiation & officer elections. Each officer gave a brief description of his or her responsibilities to his or her successor. The legacy book, a collection of forms, guides, and historic documents, was given to the new president upon his election. The election of a former officer to the post of secretary ensured continuity and provided expertise for the new officers.

Plans for 2008-2009

For 2008-2009, the MO Phi Eta chapter plans to hold initiations in the Fall and Spring. A joint social event with Tau Beta Pi is planned for the fall. The Spring will bring a second social event, this one exclusively for Pi Tau Sigma members. In February, Pi Tau Sigma plans to participate in UMKC's celebration of E-Week. Beginning in January 2009, Pi Tau Sigma will begin holding monthly general meetings to discuss business.

Chapter Officers

President	Byron Colvin
Vice President	James McCarty
Secretary/Treasurer	Kevin Hellman

Chapter Advisor

Dr. Gregory King
