Missouri Phi Eta

University of Missouri, Kansas City, Kansas City, MO
Chartered April 30, 1983. 128.

Goals for 2008-2009

The 2008-2009 goals were to promote the organization within the engineering department, hold regular meetings, and promote camaraderie within the organization through social events.

Activities

The MO Phi Eta chapter held initiations in both the Fall and Spring. General business meetings were held in October, February, March, and April. The chapter co-sponsored an engineering honor society social along with Tau Beta Pi. The March meeting brought a sweeping rewrite of our constitution including the formation of a point system to determine eligibility to wear Pi Tau Sigma stoles at commencement.

Graduates

Noah Boydston – Pursuing Masters Degree at UMKC
John Clark – Plans unknown
Brian Richman – Plans unknown

Awards & Recognition

Noah Boydston - Outstanding Senior
Paul Wilson – Outstanding Masters Student

Names of New Members

Fall 2007 Pledges

Chris Blackwell	Noah Boydston
Doug DeHart	Kayla Ellis
Ryan Haberstroh	George Newton
James Stoneburner	Zouhair Talbi
William Verbanic	

Spring 2008 Pledges

John Clark	Delia Heffernan
Brian Richman	

Transfer of Responsibilities

The transfer of responsibilities took place following the Spring initiation & officer elections. Each officer gave a brief description of his or her responsibilities to his or her successor. The legacy book, a collection of forms, guides, and historic documents, was given to the new president upon his election.

Plans for 2009-2010

For 2009-2010, the MO Phi Eta chapter plans to hold initiations in November and April. In the month prior to each initiation, the chapter would like to hold a small social banquet to allow the prospective members to meet the alumni and current members. A joint social event with Tau Beta Pi is in the preliminary planning stages. The chapter also plans to hold a Pi Tau Sigma event or fundraiser in the fall. In February, Pi Tau Sigma plans to participate in UMKC's celebration of E-Week. Monthly general meetings will be held beginning in September 2009. In an attempt to keep touch with Pi Tau Sigma alumni, an alumni liaison will be in charge of keeping the alumni informed of chapter activities. A redesign of the UMKC Pi Tau Sigma website is planned to take place during the 2009-2010 academic year with a tentative re-launch date of February 2010.

Chapter Officers

President	Jared Hanna
Vice President	Darren Mullin
Treasurer	Hannah Walden
Secretary	Douglas Hill

Chapter Advisor

Dr. Gregory King
