PI TAU SIGMA ANNUAL CHAPTER REPORT

2009 – 2010

IUPUI Alpha Upsilon

A. Initiations

Every semester students are invited to join the Alpha Upsilon Chapter of Pi Tau Sigma according to the Membership Criteria on the Pi Tau Sigma Manual. The students that accept the invitations undergo the Rituals of Pi Tau Sigma, where the President and Vice-President read the initiation rituals. After the rituals are read aloud, the initiates agree to sign a Release of Academic Information which will be used to verify their eligibility.

The new initiates for this academic year were:

Ahmed Hassanin
Matthew McClain
Juan Solano
Matt Schieler
Rebecca McGee

B. Chapter Activities

During this academic year, the Alpha Upsilon Chapter assembled for monthly meetings. The main events that took place during this academic year include a plant tour at Zipp – Speed Weaponry, which is a manufacturer of carbon fiber bicycle wheels. The tour consisted of a walkthrough of the factory floor. The tour consisted of the entire cycle of production of the wheels.

Also, the members of the chapter were involved in the Annual Mutt Strut held at the Indianapolis Motor Speedway, were pet owners are able to walk their dogs around the famous oval. Members were involved in taking pictures of the dogs with their owners as well as guiding the crowd to their respective registration areas.
