Pi Tau Sigma Yearly Report
Kansas State Rho
2015-2016

This year we started the year with 4 active members. We help two initiations, one in the fall and one in the spring. In the fall, we initiated 4 members. We initiated another 4 members in the spring. We had one member graduate in the May. The president this year was Jordan Morrow and treasurer was Josh Smith. This year we visited an elementary school and talk to kids at a science fair. We also started discussing plans for selling Mechanical Engineering Department shirts which we hope to sell in the fall. At the end of the year we elected new officers. The president for the fall semester is Josh Yonkin, the vice president is Cameron Rohleder, the treasurer is Jacob Schwindt, and Mitchell Fowler is the Networking Liaison.
