Kansas Psi

The University of Kansas, Lawrence, Kansas
Chartered April 5, 1944. Number 24.

Goals for 2008-2009

The goals for 2008-2009 were to promote the professional and academic development of members and to increase visibility in the KU School of Engineering by providing tutoring services.

Activities

During the past academic year, Kansas Psi held two initiations and two luncheons with mechanical engineering faculty. We also implemented a tutoring program in which 17 underclassmen received one-on-one tutoring.
